What Is the Mopria Alliance?

The Mopria Alliance is a non-profit membership organization formed by leading global technology companies with the goal of providing simple wireless printing from smart phones, tablets and other mobile devices. The Alliance developed the Mopria mark so users will only need to look for this designation to know that their devices are mobile print ready.

Why was the Mopria Alliance Formed?

The Mopria Alliance was formed to advance wireless printing from smart phones, tablets and other mobile devices by creating a standard that enables printing to be universally compatible and consistently easy for users.

Who is the Mopria Alliance targeted for new members?

The Mopria Alliance is targeting the following company types to join the Alliance and use the standards:

- Phone/tablet manufacturers
- Printer, AIO, MFP, MFD manufacturers
- App developers
- OS Providers
- Laptop manufacturers
- Mobile cell service carriers
